Île-de-France mobilités

Île-de-France Mobilités imagine, organise et finance les transports publics pour tous les Franciliens.

Au coeur du réseau de transports, Île-de-France Mobilités **fédère tous les acteurs** (voyageurs, élus, constructeurs, transporteurs, gestionnaires d'infrastructures, ...), **investit et innove** pour améliorer le service rendu aux voyageurs.

Il **décide et pilote** les projets de développement des réseaux et de modernisation de tous les transports, dont il confie l'exploitation à des transporteurs.

Île-de-France Mobilités, composé de la Région Île-de-France et des huit départements franciliens, **porte ainsi la vision de l'ensemble des transports d'Île-de-France** (Métro, Bus, Tram, Train).
